Statement of intent

We believe that all pupils are entitled to learn in a safe and supportive environment; this means being free from all forms of bullying behaviour. This policy outlines how instances of bullying are dealt with, including the procedures to prevent occurrences of bullying. These strategies, e.g. learning about tolerance and difference as part of the school's curriculum, aim to promote an inclusive, tolerant and supportive ethos at the school.

The Education and Inspections Act 2006 outlines several legal obligations regarding the school's response to bullying. Under section 89, schools must have measures in place to encourage good behaviour and prevent all forms of bullying amongst pupils. These measures are part of the school's Behaviour Policy, which is communicated to all pupils, school staff and parents.

All staff, parents and pupils work together to prevent and reduce any instances of bullying at the school. There is a zero-tolerance policy for bullying at the school.

The policy has been drawn up through the involvement of the whole school community and we are committed to developing an anti-bullying culture whereby no bullying, including between children; between adults; or adults and children will be tolerated.

Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Education and Inspections Act 2006
- Equality Act 2010
- Protection from Harassment Act 1997
- Malicious Communications Act 1988
- Public Order Act 1986
- Communications Act 2003
- Human Rights Act 1998
- Crime and Disorder Act 1998
- Education Act 2011
- DfE (2017) 'Preventing and tackling bullying'

- Relationships and Health Education Policy
- Suspension and Exclusion Policy
- Child-on-child Abuse Policy

Our School Community:

- Discusses, monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports all staff to promote positive relationships to prevent bullying and will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that pupils feel safe to learn; and that pupils abide by the Anti-Bullying Policy.
- Reports back to parents/carers regarding their concerns on bullying and deals promptly with complaints. Parents/carers in turn work with the school to uphold the Anti-Bullying Policy.
- Seeks to learn from good anti-bullying practice elsewhere and utilises support from the Local Authority and other relevant organisations when appropriate

Definitions

Bullying is “Behaviour by an individual or a group, usually repeated over time that intentionally hurts another individual either physically or emotionally and involves an imbalance of power”. (DfE

“Preventing and Tackling Bullying”, July 2017)

Bullying is usually characterised by:

- **Repetition:** Incidents are not one-offs; they are frequent and happen over an extended period of time.
- **Intent:** The perpetrator means to cause verbal, physical or emotional harm; it is not accidental.
- **Targeting:** Bullying is generally targeted at a specific individual or group.
- **Power imbalance:** Whether real or perceived, bullying is generally based on unequal power relations.

Vulnerable pupils are more likely to be the targets of bullying due to the attitudes and behaviours some young people have towards those who are different from themselves. Vulnerable pupils may include, but are not limited to:

- Pupils who are adopted

Types of bullying

Many kinds of behaviour can be considered bullying, and bullying can be related to almost anything. Teasing another pupil because of their appearance, religion, ethnicity, gender, sexual orientation, home life, culture, or SEND are some of the types of bullying that can occur.

Bullying is acted out through the following mediums:

- Verbal
- Physical
- Emotional
- Online (cyberbullying)

Racist bullying: Bullying another person based on their ethnic background or skin colour. Racist bullying is a criminal offence under the Crime and Disorder Act 1998 and Public Order Act 1986.

Homophobic and biphobic bullying: Bullying another person because of their actual or perceived sexual orientation.

Transphobic bullying: Bullying based on another person's gender identity or gender presentation, or for not conforming to dominant gender roles.

Sexist bullying: Bullying based on sexist attitudes expressed in a way to demean, intimidate or harm another person because of their sex or gender. Sexist bullying may sometimes be characterised by inappropriate sexual behaviours.

Sexual bullying: Bullying behaviour that has a physical, psychological, verbal or non-verbal sexual dimension or dynamic that subordinates, humiliates or intimidates another person. This is commonly underpinned by sexist attitudes or gender stereotypes.

Ableist bullying: Bullying behaviour that focusses on another person's disability or support needs; this can include mocking the individual's disability or their needs, using derogatory words or slurs in relation to an individual's disability, or deliberately excluding an individual because of their disability.

Preventing, Identifying and Responding to Bullying

The school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others which will be upheld by all.
- Work with staff and outside agencies to identify all forms of prejudice-driven bullying.
- Actively provide systematic opportunities to develop pupils' social and emotional skills, including their resilience.
- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Challenge practice which does not uphold the values of tolerance, non-discrimination and respect towards others.
- Consider all opportunities for addressing bullying in all forms throughout the curriculum and supported with a range of approaches such as through displays, assemblies, peer support and the school council.
- Regularly update and evaluate our approaches to take into account the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Train all staff including teaching staff, support staff (including administration staff, lunchtime support staff and site support staff) and pastoral staff to identify all forms of bullying, follow the school policy and procedures (including recording and reporting incidents).
- Proactively gather and record concerns and intelligence about bullying incidents and issues so as to effectively develop strategies to prevent bullying from occurring.
- Use a variety of techniques to resolve the issues between those who bully and those who have been bullied.
- Work with other agencies and the wider school community to prevent and tackle concerns.
- Celebrate success and achievements to promote and build a positive school ethos.

- Ensuring that the school adopts a tolerant and open-minded policy towards difference.
- Ensuring the school is inclusive.
- Analysing any bullying data to establish patterns and reviewing this policy in light of these.
- Ensuring the DSL has the appropriate status and authority within the school to carry out the duties of the role.
- Appointing a safeguarding link governor who will work with the DSL to ensure the policies and practices relating to safeguarding, including the prevention of cyberbullying, are being implemented effectively.
- Ensuring that pupils are taught how to keep themselves and others safe, including online. The named governor with lead responsibility for this policy is: **Mrs C. Rowland.**

The named member of staff with lead responsibility for this policy is: **Mrs T.M. Dixon**

The headteacher is responsible for:

- Reviewing and amending this policy, accounting for new legislation and government guidance, and using staff experience of dealing with bullying incidents in previous years to improve procedures.
- Keeping a log of all reported incidents, including which type of bullying has occurred, to allow for proper analysis of the data collected.
- Analysing the data in the bullying record at termly intervals to identify trends, so that appropriate measures to tackle them can be implemented.
- Arranging appropriate training for staff members.

KS2 Phase Leader are responsible for:

Corresponding and meeting with parents where necessary.

- Providing a point of contact for pupils and parents when more serious bullying incidents occur.

Teachers are responsible for:

- Being alert to social dynamics in their class.
- Being available for pupils who wish to report bullying.
- Providing follow-up support after bullying incidents.
- Being alert to possible bullying situations, particularly exclusion from friendship groups, and informing the SLT of such observations.

- Being watchful of their child's behaviour, attitude and characteristics and informing the relevant staff members of any changes.

Pupils are responsible for:

- Informing a member of staff if they witness bullying or are a victim of bullying.
- Not making counter-threats if they are victims of bullying.
- Walking away from dangerous situations and avoiding involving other pupils in incidents.
- Keeping evidence of cyberbullying and informing a member of staff should they fall victim to cyberbullying.

Signs of bullying

Staff will be alert to the following signs that may indicate a pupil is a victim of bullying:

- being frightened to travel to or from school,
- unwillingness to attend school,
- repeated or persistent absence from school,
- becoming anxious or lacking confidence,
- saying that they feel ill repeatedly,
- decreased involvement in schoolwork,
- leaving school with torn clothes or damaged possessions,
- missing possessions,
- asking for extra money or stealing,
- cuts or bruises,
- lack of appetite,
- unwillingness to use the internet or mobile devices,
- lack of eye contact,
- becoming short tempered,
- change in behaviour and attitude at home.

Although the signs outlined above may not be due to bullying, they may be due to deeper social, emotional or mental health issues, so are still worth investigating. Pupils who display a significant number of these signs will be approached by a member of staff to determine the underlying issues.

If staff become aware of any factors that could lead to bullying behaviours, they will notify the pupil's class teacher and the DSL, who will investigate the matter and monitor the situation.

Child-on-child abuse

The school has a zero-tolerance approach to all forms of child-on-child abuse, including sexual harassment and sexual violence.

To prevent child-on-child abuse and address the wider societal factors that can influence behaviour, the school will educate pupils about abuse, its forms, and the importance of discussing any concerns and respecting others through the curriculum, assemblies and PSHE lessons.

All staff will:

- Be aware that pupils of any age and gender are capable of abusing their peers.
- Be aware that abuse can occur inside and outside of school settings.
- Be aware of the scale of harassment or abuse, and that just because it is not being reported does not mean it is not happening.
- Take all instances of child-on-child abuse equally seriously regardless of the characteristics of the perpetrators or victims.
- Never tolerate abuse as “banter” or “part of growing up”, and will never justify sexual harassment, e.g. as “boys being boys”, as this can foster a culture of unacceptable behaviours and one that risks normalising abuse.
- Be aware that child-on-child abuse can be manifested in many ways, including sexting, sexual harassment and assault, and hazing or initiation-type violence.
- Always challenge any harmful physical behaviour that is sexual in nature, such as inappropriate touching. Dismissing or tolerating such behaviours risks normalising them.

Sexual harassment in particular can take many forms, including but not limited to:

- Telling sexual stories, making sexual remarks, or calling someone sexualised names.
- Sexual “jokes” or taunting.
- Deliberately brushing against someone.
- Displaying images or video of a sexual nature.
- Unskirting (this is a criminal offence)

All staff will be aware and sensitive towards the fact that pupils may not be ready or know how to tell someone that they are being abused. Pupils being abused may feel embarrassed, humiliated, scared, or threatened.

The school's Child-on-child Abuse Policy outlines the school's stance on addressing child-on-child abuse, including sexual abuse, and the procedures in place will be adhered to if any instances are uncovered or disclosed. More information on the school's approach to preventing and managing instances of child-on-child abuse can be found within the Child Protection and Safeguarding Policy.

Cyberbullying

Cyberbullying can take many forms and can go even further than face-to-face bullying by invading personal space and home life and can target more than one person. It can also take place across age groups and target pupils, staff and others, and may take place inside school, within the wider community, at home or when travelling. It can sometimes draw bystanders into being accessories.

Cyberbullying can include the following:

- threatening, intimidating or upsetting text messages,
- threatening or embarrassing pictures and video clips,
- disclosure of private sexual photographs or videos with the intent to cause distress,
- silent or abusive phone calls,
- using the victim's phone to harass others, to make them think the victim is responsible,
- threatening or bullying emails, possibly sent using a pseudonym or someone else's name,
- menacing or upsetting responses to someone in a chatroom,
- unpleasant messages sent via instant messaging,
- unpleasant or defamatory information posted to blogs, personal websites and social networking sites, e.g. Facebook.

NB. The above list is not exhaustive, and cyberbullying may take other forms.

The school has a zero-tolerance approach to cyberbullying. The school views cyberbullying with the same severity as any other form of bullying and will follow the sanctions set out in this policy if they become aware of any incidents.

All school staff will receive training on the signs of cyberbullying in order to identify and report it.

- acting in a secretive manner when using the computer,
- spending excessive amounts of time on the computer,
- becoming upset or angry when the computer or mobile phone is taken away.

All learning at home will follow procedures outlined in the Remote Learning Offer guidance. During times when remote education is being utilised, the school will frequently be in contact with parents to make them aware of their activities online, but also to reinforce the importance of pupils staying safe online and explaining how filtering and monitoring procedures work.

Staff will be aware that a cyberbullying incident might include features different to other forms of bullying, prompting a particular response. Significant differences may include the following:

- **Possible extensive scale and scope** – pupils may be bullied on multiple platforms and using multiple different methods that are made possible by virtue of the bullying taking place online
- **The anytime and anywhere nature of cyberbullying** – pupils may not have an escape from the torment when they are at home due to the bullying continuing through technology at all times
- **The person being bullied might not know who the perpetrator is** – it is easy for individuals to remain anonymous online and on social media, and pupils may be bullied by someone who is concealing their own identity
- **The perpetrator might not realise that their actions are bullying** – sometimes, the culture of social media, and the inability to see the impact that words are having on someone, may lead to pupils crossing boundaries without realising
- **The victim of the bullying may have evidence of what has happened** – pupils may have taken screenshots of bullying, or there may be a digital footprint that can identify the perpetrator. Staff and pupils will be instructed not to respond or retaliate to cyberbullying incidents. Evidence of the incident should be recorded, e.g. taking screenshots. Staff will report incidents to the headteacher for the incident to be investigated and support to be provided. Pupils will report incidents to a trusted member of staff.

Where offensive content is posted online targeting a staff member or pupil, the person targeted will be encouraged to use the reporting mechanism on the website or social media platform to request its removal. Where the person who has posted, it is known to the school, the headteacher will request they remove it directly.

Dealing with Incidents

The following steps may be taken when dealing with incidents:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached
- A clear and precise account of the incident will be recorded and given to the head teacher and/or senior member of staff
- The head teacher and/or senior member of staff will interview all concerned and will record the incident using My Concern
- Teachers, parents and carers will be kept informed
- When responding to cyberbullying concerns the school will take all available steps to identify the bully, including looking at school systems, identifying and interviewing possible witnesses, and contacting the service provider and the police, if necessary. The police will need to be involved to enable the service provider to look into the data of another user.
- Where the bullying takes place outside of the school site then the school will ensure that the concern is investigated, and that appropriate action is taken in accordance with the school's behaviour and discipline policy.
- Sanctions will be used as appropriate and in consultation with all parties concerned
- If necessary and appropriate, the police or other local services will be consulted

- Instigating disciplinary, civil or legal action

Involvement of Pupils

We will:

- Regularly canvas children and young people's views on the extent and nature of bullying.
- Ensure that all pupils know how to express worries and anxieties about bullying.

Liaison with Parents and Carers

We will:

- Make sure that key information (including policies and named points of contact) about bullying is available to parents/carers in a variety of formats.
- Ensure that all parents/carers know who to contact if they are worried about bullying.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively.

- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.

Monitoring & Review, Policy into Practice
